

The logo for Kidrove, featuring the word "Kidrove" in a colorful, rounded font. The background of the entire image is a stylized illustration of a desert landscape with rolling orange dunes, a modern glass-walled building with green roofs, and a winding road. The sky is a gradient of blue and yellow. Various colorful doodles, including stars, arrows, and squiggly lines, are scattered around the central text box.

Kidrove

I /imagine: If AI Could
Draw My UAE...

 Grades 1–12

Kidrove AI Art Competition 2026

Let the world see your imagination.

 AI-Generated

 Nationwide

What will you picture?

A futuristic city with flying cars?

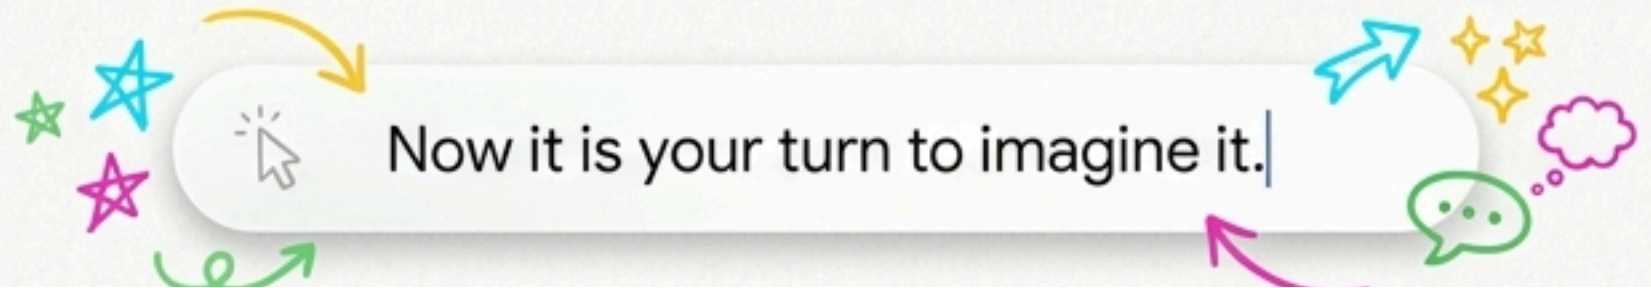

A beautiful desert under a sky full of stars?

A greener, smarter UAE of the future?

A place where every culture comes together, or simply the UAE that feels like home?

Now it is your turn to imagine it.

The Challenge Specs

 **Grades 1–12**
(Individual entry for UAE school students)

 **1 AI-Generated Artwork**

 **High-quality JPG or PNG**
(Max 1MB). **Optional:** Add a 100-word story about your idea.

 **Any Generative AI tool**
(No coding required!)

Your Idea + ✨ Your Imagination + ⚡ Your Use of AI = Magic.

The Rewards

Choose Your Player Level

*Every student participates individually, but you must be a student of a UAE-based school.

The Brief in Three Moves

01. Imagine 💡

Find your own answer to “If AI Could Draw My UAE...” A place, a feeling, a future, a memory — start anywhere.

02. Create with AI ✨

Use any suitable Generative AI image tool. Explore prompts, styles, and compositions until it feels like YOU. (Adults: Please check age requirements and terms).

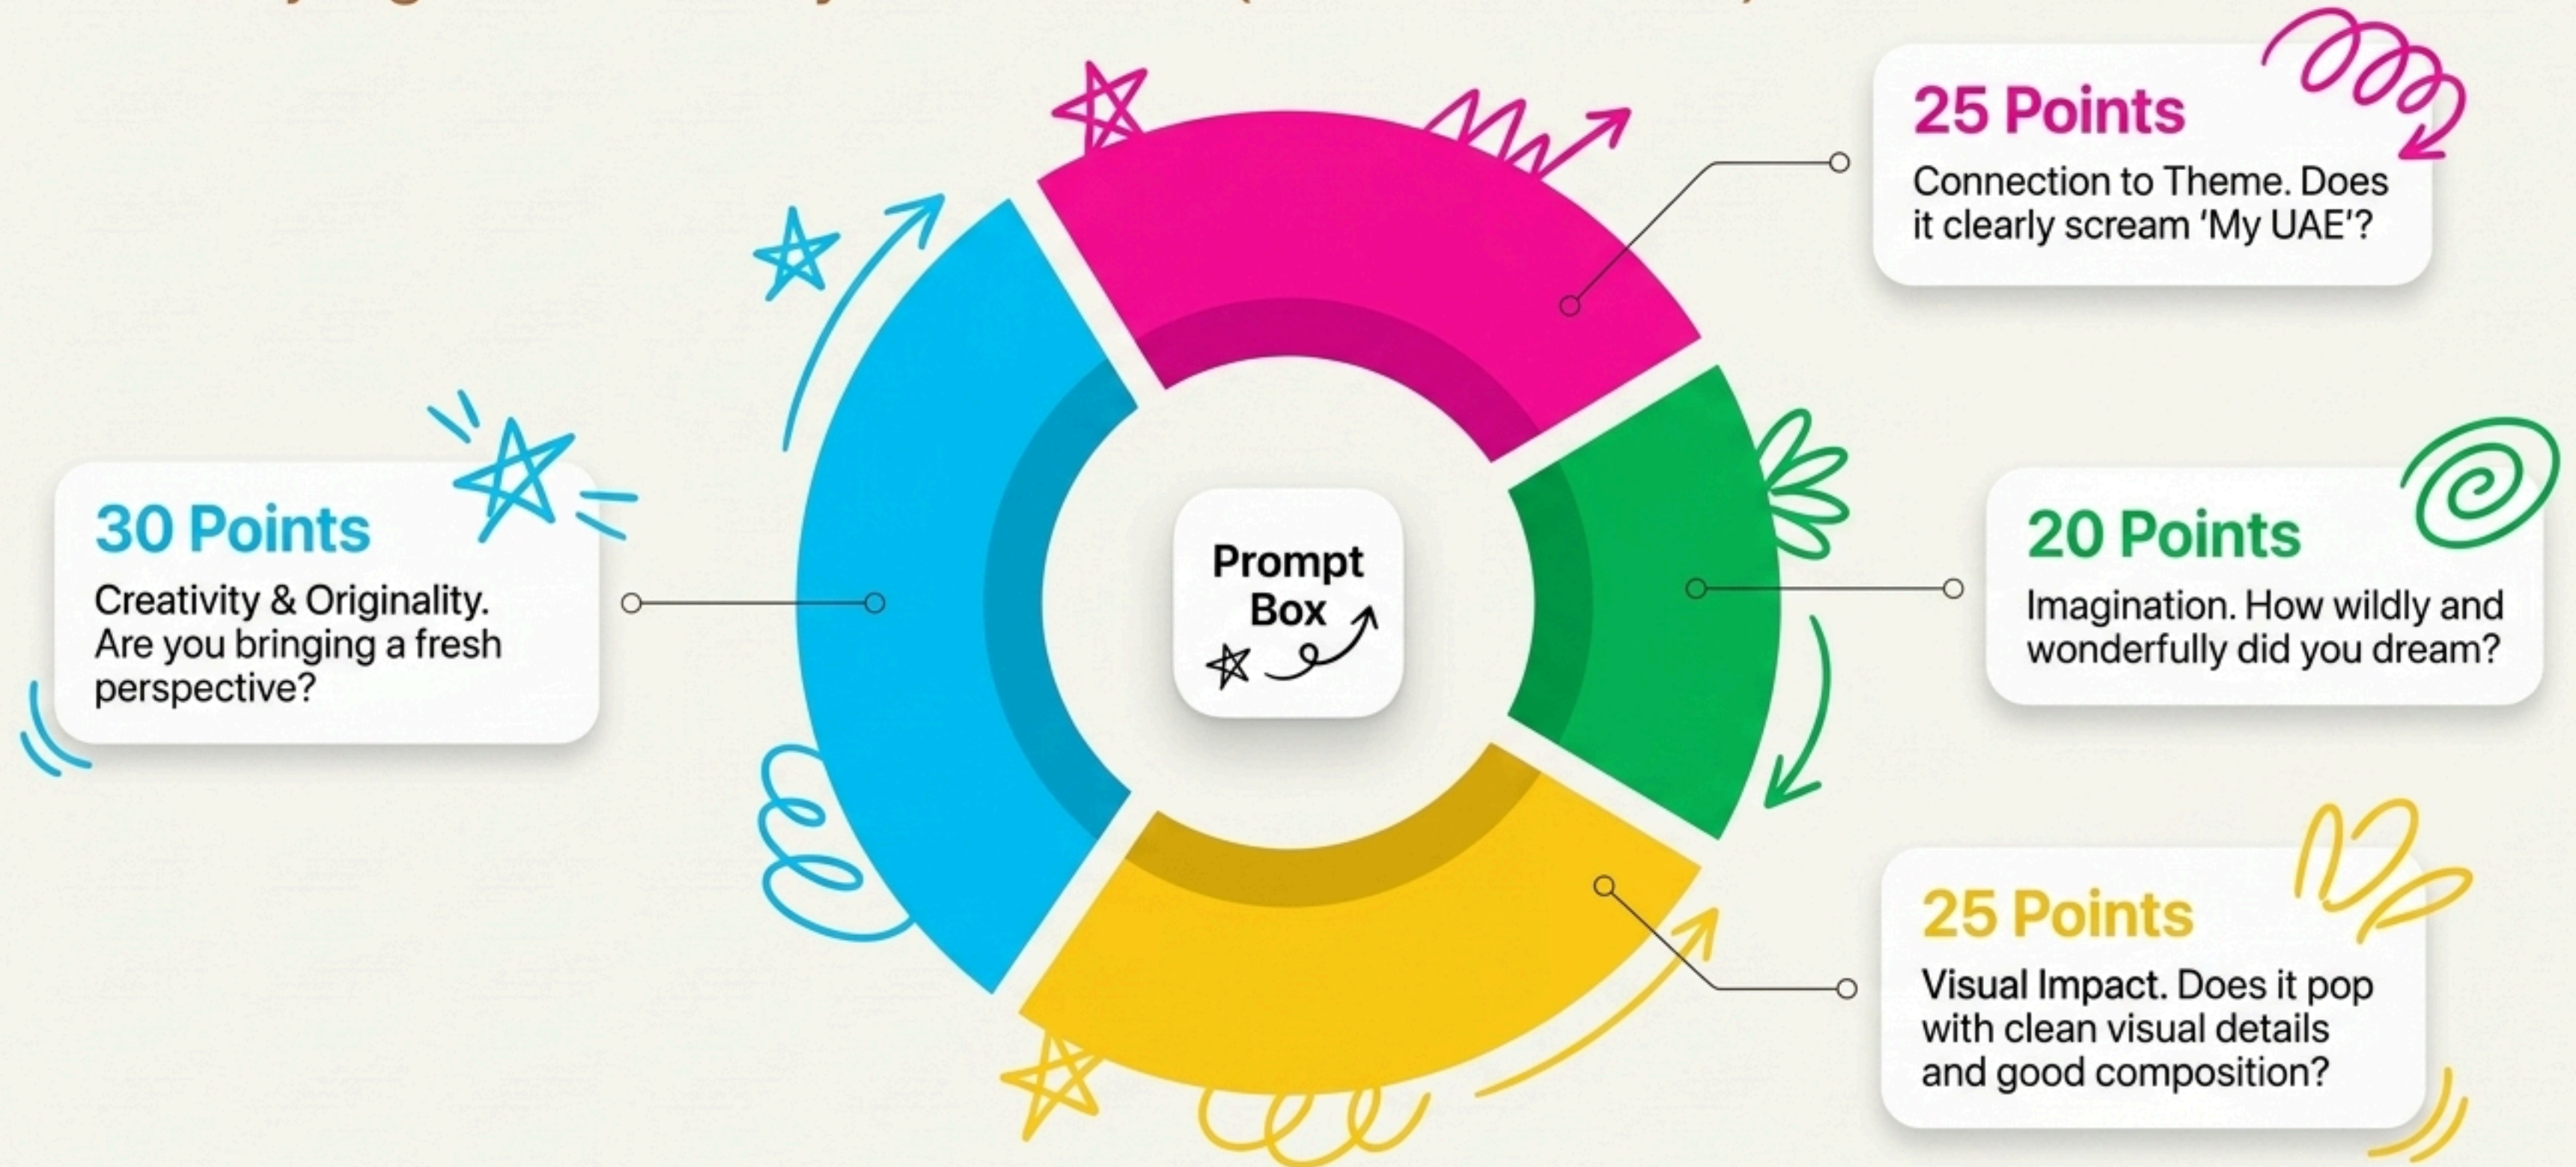

03. Let it Travel 🚀

Submit one original digital artwork as a high-quality JPG or PNG.

The Winning Formula

How the judges will score your creation (100 Points Total)

Keeping Your Entry Valid

Safe Zone

- ✓ Your original idea.
- ✓ Your unique prompt.
- ✓ Following the AI platform's terms.

Out of Bounds

- ✗ **No Stealing:** Don't download from the internet, submit someone else's work, or copy a peer.
- ✗ **No Bad Stuff:** Zero tolerance for offensive, hateful, violent, or political content.
- ✗ **No Copyrights:** Avoid copyrighted characters, logos, or trademarks.
- ✗ **No Fakes:** Don't present AI as a real photograph, and never impersonate real people.

The final artwork must be AI-generated, but the idea must belong entirely to YOU.

Put these on the calendar for 2026

One Theme. Two Pathways.

Fee: AED 50

For Parents (Direct Route)

- Register your child directly via Kidrove.
- Ensure AI tools comply with age guidelines.
- Provide adult consent and upload the artwork.

Fee: AED 35

For Schools (Group Route)

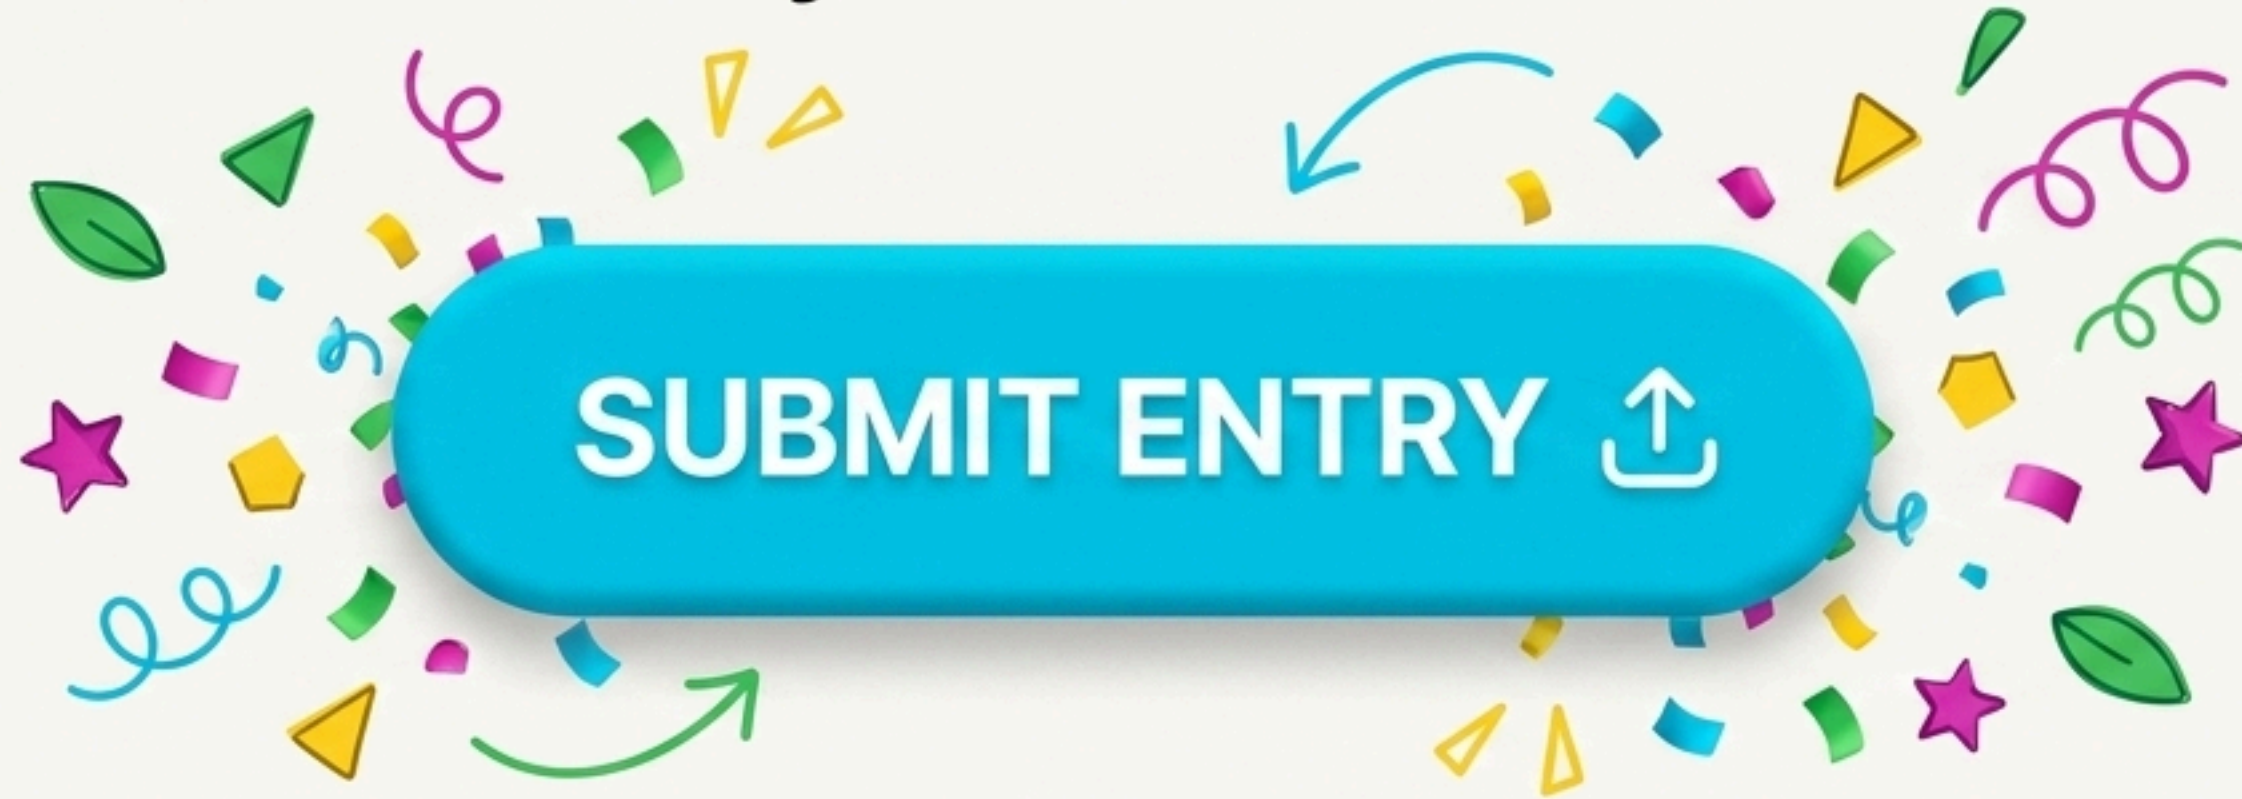

- Share the official Kidrove link directly with parents.
- **OR:** Coordinators can register students collectively by emailing the Student Registration Sheet to contact@kidrove.com.

Kidrove School Recognition!

Schools are awarded for strong student participation, outstanding creativity, valid entries, and exceptional winning performance.

Ready to Generate?

⚠ Don't wait—registration closes October 1st, 2026!
